To Whom It May Concern:

It is a pleasure to write a letter of introduction/recommendation on behalf of Mr. Daryl Guberman. Although I have known Mr. Guberman for a short time, during that time he has impressed me as a conscientious young man with high moral and ethical standards.

I had an opportunity to observe Daryl firsthand when he served as a visiting professor in my advanced nutrition class at Lincoln College of New England. He was extremely organized and gave a dynamic and impactful presentation. The students benefited from Daryl's approach to subject material and commented that he was one of the best lecturers we have had. I have it on my agenda to request that Mr. Guberman return to Nutrition 205 during the upcoming fall semester. He was truly an asset to our program.

Please do not hesitate to contact me if I can be of further reference regarding Mr. Daryl Guberman.

Very truly yours,
