

## SIKORSKY AIRCRAFT

September-3rd 2009

To whom it may concern:

As a former Quality assurance Group Leader at Sikorsky Aircraft; it would give me great honor to recommend Daryl Guberman as a candidate for a position with your organization. In his position as a Senior Quality assurance Inspector, Daryl was employed at Sikorsky Aircraft from 1986 thru 1995. Daryl did an excellent job in this position and was an asset to our organization during his tenure . He has excellent written and verbal communication skills, is extremely organized, can work independently and is able to follow through to ensure that the job gets done.

During his tenure with Sikorsky Aircraft, Daryl was an invaluable asset. He served as one of the Quality assurance departments' technical writers for all work instructions and technique sheets. He helped to orchestrate the departments conversion over to a mainframe based information management system and served as a system instructor for inspection and quality engineering. Daryl was instrumental in the orientation and training involved and facilitated as a departmental point of contact during Sikorsky Aircrafts successful certification audit for ISO 9000.

Daryl many times would suggest inovative ways to improve processes via the suggestion system at Sikorsky's. His excellent retention of Sikorsky standards, specifications, Mil-standards and other specialized documentation made him an intergral resource within the "Blade Shop".

Daryl was always willing to offer his assistance and had an excellent rapport with the many constituents served by our department including customers, internal and external, as well as the Federal Aviation Administration, (F.A.A.) and the Department of Defense Contracts Administration Agency, (D.C.A.A.) Mid and Senior Level Management, Engineering, Supervisors, Leadman and the Quality & Manufacturing workforce.

Daryl and I have maintained a close personal and professional relationship since he moved on from Sikorsky aircraft and I know that he would be an asset to any employer and I recommend him for any endeavor he chooses to pursue.

Yours truly,

Andrew J. Murray
