Dear Daryl:

On behalf of the ICI Team, I wanted to thank you for taking the time in addressing our AS 9100 REV C. audit findings. We were in need of assistance and searching for a consultant who would guide us in the right direction. We were pleasantly surprise with the excellent customer service and expert knowledge you brought to the table. Your honesty in guiding us through the process was most impressive, as well as your timely response to our inquiry for assistance. I have never dealt with any consulting firm who embraces customer service as well as you do. You were willing to impart your expansive knowledge without hesitation, and it is truely appreciated.

You have helped us enhance our understanding of the audit process, and we will certainly be in touch for future consultative services. There would not be a second thought given to choosing any other firm over GUBERMAN-PMC, LLC.
